

Make a Plan.

SEPTEMBER IS NATIONAL PREPAREDNESS MONTH

What Can I Do?

Kids

Numbers

Memorize your home and family members' cell phone numbers.

Also Know

Know the number of a neighbor and an out of state friend or relative.

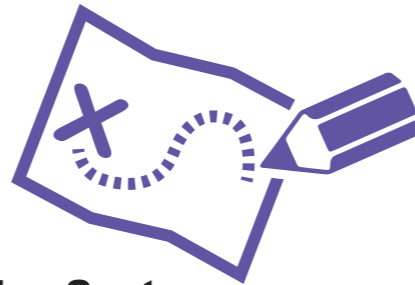

Exits

Know how to get out of every room in your house in case of fire.

Text

Texts go through better during emergencies. Text your family that you are OK. Text your location.

Pick a Spot

Know where you will meet your family near home (a tree, neighbor's house) and away from home (library, church). Draw a map to each location.

Parents

Contact Info

Know the numbers for family and out of town friends or relatives.

Family Data

Keep handy records of Social Security numbers and important medical information.

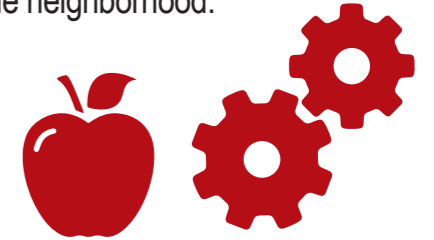

Medical Contacts

Have access to the numbers of your family doctors and pharmacists.

Locations

Know where you have agreed to meet your family near home or in the neighborhood.

School and Work

Have the phone numbers and addresses of your family's school and work available.

Insurance Info

Keep a copy of the phone numbers and policy numbers for your medical and homeowners insurance.
